Re New Screening Fee Effective July 01, 2021

TSA and ICAO (International Civil Aviation Organization) have revised air cargo security standard and regulation. Effective 30JUN'21 all shipments accepted for air transport from the United States and United States territories will be required to be screened prior to transportation. In compliance this new regulation, **EVA AIR Cargo will implement the following screening fee effective 01JUL'21:**

- Cargo delivered unscreened, whereby screening will be performed by EVA Cargo and/or its authorized agent. The applicable screening fee will be USD 0.10 per kilo with minimum USD 5.00 charged based on the Airway Bill chargeable weight and will be invoiced as a due carrier fee (SC).
- Cargo delivered from a Certified Cargo Screening Facility (CCSF) along with a copy of CCSF certificate will not be charged the indicated screening fee.

In addition, TSA has announced the opportunity for entities within the air cargo supply chain to become Secured Packing Facilities (SPFs). Detail information can be found at Federal Register site
