

To All Customers
Re Rate Increase from Taiwan to North America

First of all, we would like to thank you for all your usual support and cooperation.

In view of the rising demand on cargo space, EVA AIR will implement a rate increase of 20%~30% for all the shipments from Taiwan bound for America with effective from 11 Sep 2021.

Should you need any further information, please feel free to contact our sales representatives and thank you for your support always.

Yours sincerely,

America Sec.
