Dear Valued Customers,

In compliance with TSA's regulation of 100% cargo screening, China Airlines Cargo will introduce new procedures for cargo acceptance effective July 1st 2021. Following items will be implemented.

- Must notify whether a shipment(s) will be pre-screened at the time of booking.
- For shipments that will not be pre-screened, screening fee \$0.10/k will apply (based on chargeable weight. Minimum \$10.00 per MAWB). Code "SC" is to be indicated in the other charge/due carrier part of MAWB.
- For shipments that will be pre-screened, a copy of CCSF certificate will be needed upon cargo's delivery. Screening fee will not apply.

Please contact your China Airlines sales representatives if you have further question.
We look forward to continued support and thank you for the cooperation.
